# Self-Install Guide

You're just minutes away from enjoying your Optimum services.
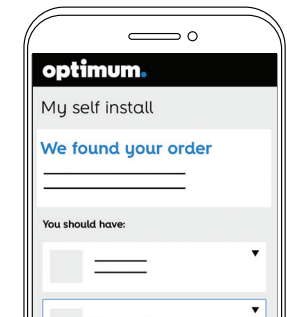

1 Find the packing slip from the shipping box

**2** Scan the QR code printed on your packing slip using the camera on your smartphone

3 Follow the steps online to activate your service

optimum.

No service on your smartphone?

No worries. Grab a laptop and connect it to your equipment as shown below using an Ethernet cable. Turn on your modem and router, then go to **selfinstall.optimum.net** to activate your service.

Router

Laptop

Cable Wall Outlet

Modem

Wall Outlet

Make sure to return any old equipment.
Go to your nearest Optimum store or visit **optimum.net/returns**
